50. Memoriams

In memory of my father, Joseph Lee Childress who passed away five years ago February 1, 1976.

Five years have passed
Since you went away,
I miss you still
With each passing day.,
Time erases some of the pain,
For, I know someday
We will meet again,
There were many things
Left unsaid,
Things should have been done,
We never did
Time makes a wiser person,
I know
Because of this,
My love will grow,
So, my memory of you
Will never die.
For on that great day,
We will meet, by and by.
Sadly missed by daughter,
Barbara and family

NOTICE TO THE PUBLIC

The Commission of Game and Inland Fisheries has ordered to be published, pursuant to Sections 29-125, 29-126 and 29-127 of the Code of Virginia, the following proposed changes in Commission regulations applicable statewide. Public hearings on the advisability of adopting, or amending and adopting, each of the proposed changes, or any part thereof, will be held at the Howard Johnson's Midtown Motor Lodge, 3207 North Boulevard, Richmond, Virginia, beginning at 9:30 a.m., on February 19 and 20, 1981, at which any interested citizen present shall be heard. If the Commission is satisfied that proposed changes in its regulations, or any parts thereof, are advisable, in the form in which published or as amended as a result of the public hearing, the Comission may adopt each such proposal, acting upon the proposals separately or in block.

CHAPTER 23. Fishing Generally.

Amend Regulation R23-2. Creel limits, to establish a separate limit of eight per day for walleye or yellow pike perch and eight per day for chain pickerel or jackfish statewide, except that ten walleye a day may be taken from South Holston Reservoir below full pool elevation of 1730.

Amend Regulation R23-13 to read as follows:

R23-13. Permits required for striped bass fishing rodeos, etc.

No person shall organize, conduct, supervise, or solicit entries for, striped bass fishing tournaments, rodeos, or other striped bass fishing events on the inland waters of this State, for which prizes are offered, awarded, or accepted, either in money or other valuable considerations, without having applied for and obtained a permit from the Commission to do so. Exercising a due regard for the distribution, local abundance, economic value, breeding habits, and natural growth potential of striped bass in the affected public waters, the Executive Director is authorized on behalf of the Commission to issue or deny permits pursuant to this regulation, and to establish such special rules for each tournament as may be deemed necessary, after consulting with the State Fish Biologist and with the approval of the Commission's Fish Committee as designated from time to time by the Chairman. Failure to comply with all special rules and other provisions of any permit issued pursuant to this regulation may be deemed grounds for denying the permittee a permit for a similar event to be held within three years from the date of such failure of compliance.

Amend Regulation R26-9. Taking carp and gar with bow and arrow. Section [a] Season - to eliminate the closed season only on taking carp and gar with bow and arrow from the public inland waters of the State, except waters stocked with trout, during the daylight hours only.
